Varieties

Field Blend of Tempranillo 80% Grenache 5% Graciano 5% Mazuelo 5% and Viura 5%

Origin

La Virgen in Lanciego – Rioja Alavesa

Production

800 bottles.

Vineyard

A Single vineyard wine made from a 0,7 hectare vineyard planted in 1920 on a western facing slope in the village of Lanciego, Rioja Alavesa. We named the vineyard “Paraje de la Virgen” after the plot La Virgen. Planting density: 3086 Vines per hectare. Square planting pattern: 1,8m x 1,8m. Limestone soil. Altitude 518-555m. Massal selection. Old dry land bush vines.

Cellar

The grapes are sorted, destemmed and fermented in a small tank for 10-14 days with a gentle pump over once a day until the end of the fermentation. Once pressed the wine is aged in a 600 litre oak barrel for one year where this wine is naturally stabilized and clarified with time.

Tasting note

On the nose we have red plum, blueberry and figs. On the palate the wine is smooth and delicate with a medium palate weight. A very complex wine that has layers of complexity that slowly unfold in the glass.

Allergens

Contains sulphites.

Energy

80 kcal/100ml.
